If you are not satisfied with this response, you may go to Step Two by checking below and forwarding to the ARP Legal Claims Adjudicator within 5 days of your receipt of this decision.

I am in receipt of your ARP and upon review I found that you were validated as a Security Threat Group Leader on 12/14/10 and because of your reported gang activity in a leadership role, you were placed in Long Term Segregation status on 1/25/11. Your next review date while on this status will be April 25<sup>th</sup> 11. Your request to be transferred back to Louisville is denied.

---

An investigation has been conducted into your complaint regarding your request to be transferred to Louisville. Mr. Cates, CMCF Assistant Director of Offender Services, stated that your request for re-classification was **denied** the following reasons: (1) reported gang activity in a leadership role, (2) validated on December 14, 2010 as a Security Threat Group Leader, (3) placement in Long Term Segregation status as of January 25, 2011. Your next review is scheduled for April 25, 2011.

Therefore, I find this matter resolved.
